"All About Me"

This week we explored the theme of "All About Me"!!

We took note of things that are the same about us and the things that are different and make us unique. We looked at our eye color and graphed our class results. We measured our height, made fingerprints, hand prints and foot prints. We read lots of books, sang songs and had many activities revolving around this theme.

On Friday we baked Challah!! We really enjoyed "painting" our challah with egg and sprinkling on the sesame seeds. It smelled so yummy, we wanted to eat it right away:)

With the older children, we started our Reading and Writing readiness program—Handwriting without Tears. We love putting Mat Man together!

See you next week !
