October 7-9  
Thanksgiving

We had a wonderful (but short) week!

Our focus this week was on the upcoming Thanksgiving holiday. We had many discussions about how important it is to say thank you and we thought about the special things in our life that we are thankful for. We had lots of fun playing with pumpkins this week. We noticed differences in color, shape, feel and weight. We took guesses about which pumpkins were heavier and then weighed them to see if we were right. We cut a pumpkin open to see what was inside. SEEDS!! We counted the seeds and made groups. We really enjoyed baking pumpkin pies and crafting thanksgiving turkeys. And we had lots of fun playing with pumpkin goop in our sensory bin.

We had a wonderful ending to our week with challah baking and Shabbat time!

Happy Birthday Ari, we really enjoyed celebrating with you!!

Looking forward to another great week!

Happy Thanksgiving!

Play and Learn

# Outdoor Play!

One of our favorite parts of the day is outdoor play! It gives us time to run and climb, practice our balance and learn to take turns on the slide and ladder. We also love the sensory experience of playing in the sand! We had a great time!
